From 405 North:

- **EXIT Bolsa Ave / Golden West St.** Ramp curves around and places you gently onto **Bolsa Ave** (facing WEST).
- **MERGE at once** into LEFT lane and turn **LEFT (SOUTH) at Goldenwest Street**—the first LIGHT.
- **Drive almost a mile SOUTH.** After **McFadden** you'll see the lovely Golden West College parking lot on your LEFT. You'll want to stop and admire it, but please keep your mind on your driving. Do **look for a sign, tho'—"Golden West College"**—near a stunning standing sculpted surfboard.
- **Turn LEFT at the LIGHT** into the parking area. **Drive to the Public Safety Kiosk** in the CENTER OF THE ENTRY ROAD and **request a PARKING PERMIT.** Then park near the kiosk if doing so seems ethical.
- **ENTER the campus via the tree-lined asphalt walkway across from the Public Safety kiosk.** Stride along the gleaming asphalt toward the three-story **Humanities Bldg** shimmering before you in roseate glory. If you'd like some quiet time to compose yourself, you may enter the appropriate bathroom to your left. Otherwise **turn toward your RIGHT when you reach the edifice, then turn LEFT into the passageway.**
- **Pass through the evocative passageway,** touched by the subdued play of light on variegated textures of concrete. Keep to an undeviating STRAIGHT path, passing the sparkling windows and immortal Bonnie Robinson pillar on your right. **Turn RIGHT at the next passageway, then ANGLE LEFT,** tiptoeing across the grass-embraced steppingstones and ignoring the ugly sculpture.
- Amble along yet another asphalt walkway, admiring the grassy Elysian quadrangle to your left and the shadows cast by the buildings on both sides of you. **Walk and walk until you come to a low-slung white building on your RIGHT:** the renowned **GWC Community Center.** (The restrooms in this building are slightly less depressing than those in the other one.)
- **Turn RIGHT and pass through the portals of the hallowed Community Center 102,** where we shall commune spiritually with one another and find ourselves blessed with a meditative repast.

From 405 South:

- **EXIT Beach Blvd South: Huntington Beach.** Go SOUTH on Beach Blvd 1/8 mile.
- **Turn RIGHT onto Edinger Ave.** Go about 7/8 mile.
- **Turn RIGHT at Goldenwest St.,** and admire the elegant metal surfboard standing in the divider up ahead.
- **Turn RIGHT onto the campus at the main entry on your RIGHT, driving straight to the striking Public Safety Kiosk** in the middle of the entry road. **Request a FREE PARKING PERMIT.** **Park** as close to the kiosk as you consider fitting for a person of your stature.
- **Amble onto the campus via the bucolic tree-lined walkway that continues the entry road you used to visit the kiosk.** Stroll along until you come to the rose-colored **Humanities Bldg,** its three stories looming above you in modernist assertiveness. **Turn RIGHT** when you get to the edifice and turn **LEFT** into the **ENTRYWAY** that wears the insignia INSTRUCTIONAL ADMINISTRATION.
- **Pass through the amazing entryway,** marveling at its heroic masonry. Walk past the windowed Mail Room and the immortal Bonnie Robinson pillar on your right, noting the rectangular tablets of light above you.
- **Turn RIGHT at the next passageway, then angle LEFT, slicing across the steppingstones.** Stride along the asphalt walkway, admiring the tree-bedecked quad to your left and the monolithic buildings to your right. **Keep walking until you come to a low-slung white building on your right. This is the Community Center.** (The bathrooms in this building are even more lavishly furnished than those in the other building.)
- Stride purposefully into the storied **Community Center 102,** where we may chat amicably about past loves and quests, followed perhaps by an invigorating food fight.

OR IF YOU MISS THE BEACH EXIT:

From 405 South:

- **EXIT Bolsa Ave West/Golden West St.** (Keep RIGHT to stay on the ramp towards Bolsa Ave West / Golden West St.)
- **Turn LEFT (EAST) onto Westminster Mall, then RIGHT (SOUTH) onto Goldenwest St. Drive almost a mile SOUTH.** Past **McFadden** you'll see the fabled **Golden West College** parking lot on your left. Take a deep breath: enjoy its serenity. But keep driving toward a sculpted metal surfboard standing in the divider.
- **Turn LEFT at the LIGHT into the parking area. Drive to the shining Public Safety Kiosk in the middle of the entryway and demand a PARKING PERMIT.** **Park** as close to the kiosk as your fearless nature permits.
- **Advance onto the campus via the forested asphalt walkway across from Public Safety. Stride along until you reach the storied Humanities Building shimmering above you in roseate grandeur. Turn RIGHT and march alongside it until you come to the enchanting ENTRYWAY on your LEFT—the one bearing the bardic incantation, INSTRUCTIONAL ADMINISTRATION.**
- **Pass through the entryway,** admiring the concrete structures and divine plants that surround you. Walk past the Pony Express Stable (Door 121) and the Herculean pillars on your right, proceeding **STRAIGHT** ahead until you come to another passageway.
- **Turn RIGHT at the short passageway, then angle left, gliding deftly across the steppingstones.** Move along the asphalt walkway, admiring the meandering concrete in the quadrangle to your left or the monolithic buildings to your right. **Keep walking until you come to a low-slung white building on your right: our glorious Community Center.** (The bathrooms in this building are even more radiantly lit than the others.)
- Cross the threshold and turn **RIGHT** into the legendary **Community Center 102,** where we shall meet in concord to rhapsodize animatedly with each other and rejoice in an epic feast.
