

## AGREEMENT

### FOR AN ACADEMIC PARTNERSHIP

between

THE HONORS PROGRAM at a Participating Community College in HTCC

and

LOYOLA MARYMOUNT UNIVERSITY

The purpose of this agreement is to strengthen the academic ties between the Participating Community College in HTCC and Loyola Marymount University in order to develop greater curricular continuity between the two institutions; to encourage more well prepared students to transfer from the Participating Community Colleges in HTCC to Loyola Marymount University; and to alleviate the concerns of students about course transferability as they prepare to enroll in the latter.

### COMMITMENTS

Loyola Marymount University agrees to:

1. Priority consideration for admission to Loyola Marymount University for those students who meet Loyola Marymount University requirements for upper-division transfer, apply to Loyola Marymount University prior to the duly established deadline, and achieve a minimum cumulative grade-point average of 3.25. Students should be aware that certain majors might be impacted, making admissions into these programs more competitive and limiting the number of students that can be accepted for a given semester.
2. Cooperate on an ongoing manner with the Honors Program at the Participating Community Colleges to provide their students on a reasonable basis with beneficial services such as campus tours of Loyola Marymount University, information workshops, financial aid, scholarship information, transfer counseling, pre-admission advising, and invitations to cultural events.
3. Provide institutional research on the success of Honors Program students in order to facilitate program evaluation.

The Participating Community College agrees to:

1. Provide students in its own Honors Program with information about the requirements for upper-division transfer to Loyola Marymount University, so that those students can consider the advantages of selecting classes with the objective of transfer in mind;

2. Provide Loyola Marymount University with the names of those students who are expected to complete the Honors Program at the Participating Community College so that Loyola Marymount University can contact them and extend to them priority consideration for admission to Loyola Marymount University.
3. Explore on an ongoing basis ways that the Honors Program at the Participating Community College and Loyola Marymount University can cooperate to the mutual benefit of both programs.
